

Global & International Studies Major/Minor

Request to Allow Course for Major/Minor

PLEASE NOTE:

- **Course allowances will NOT be considered in the Core or Skills area. This form may only be used to request a substitution in the Regional Expertise or Specialization sections of the co-major.**
- Requests to allow a course should be completed prior to course enrollment. However, retroactive requests for courses already taken will be considered.
- Please submit current or recent course syllabus if available.
- Community college courses will not be considered.
- **Courses petitioned must be 300+ level or higher.**
